Patient Service Centres and Outpatient Collection Sites

Patient Services Centre and Outpatient Collection sites’ hours of operation may be subject to change at any time. For the most current information, always consult the Calgary Laboratory Services website: [www.calgarylabservices.com](http://www.calgarylabservices.com) before attempting to have your blood drawn.

* System Wide Prioritization Menu (High Impact):
  - Tests italicized and marked with an asterisk are NOT available.
  - Type and Screen only available from Transfusion Medicine

**Notes:**
- Neonatal Metabolic Screen (NMS) collection is as per usual
- Recommend this requisition is only used by staff physicians to order tests.

Physicians may contact the Laboratory Information Centre (LIC) for test results, test information, and related inquiries.
